WILL BE A BARON.  
THEODORE HAVEMEYER TO RE-  
CEIVE PATENTS OF NOBILITY.

The Emperor of Austria Honors  
His Ex-Cousin General—What  
the "Sugar King" Says About It.  
Will Eschew Politics.

BY TELEGRAPH TO THE TIMES.  
NEW YORK, Dec. 4.—(Special Dis-  
patch) Theodore A. Havemeyer is  
about to be created a baron. An im-  
perial emissary from the court of  
Austria, bearing patents of nobility and  
the insignia of the Order of Leopold, is  
expected to arrive in New York next  
week. He is Franz Ritter von Stock-  
inger, and will succeed the "sugar  
king," in the office of consul-general,  
which Havemeyer intends to vacate, as  
soon as possible. Havemeyer said to-  
day it was very probable he would be  
accorded the honor of nobility. "But  
I do not feel like making any comment  
at present on a matter of such a char-  
acter. After the ceremony would be  
a fitting time to talk about it." In ac-  
cepting the order of nobility, Haver-  
meyer will renounce all political ambi-  
tion, he may have so far as this course  
is concerned. Havemeyer is American  
born, though much of his time has been  
spent in Germany, and it was there he  
was educated.

Dr. Johnson Notified.  
DETROIT, Dec. 4.—Dr. Joseph John-  
son, rector of Christ Church, received a  
telegrammatic notification today that he  
had been elected bishop of the diocese  
of Los Angeles. The diocese has  
just been made by the division of  
Southern California, which embraces  
all that part of the State south of and  
including San Francisco. Dr. Johnson  
has not yet stated whether he will ac-  
cept the promotion.

STRONG TALK.

Vigorous Foreign Policy  
Advocated.

Annexation of Cuba Urged by  
Mr. Allen.

Senator Hoar Denounces the  
Recent Atrocities in  
Armenia.

A Resolution is Adopted by the  
Senate Requiring the President  
to Submit Correspondence  
With Turkey.

(REGULAR ASSOCIATED PRESS REPORT.)  
WASHINGTON, Dec. 4.—The Senate  
worked today, while the House enjoyed  
recess, but most of the business  
transacted was of a routine character.  
Mr. Hoar showed a disposition to  
co-operate with the President in dealing  
with the Turkish question, by offering  
a resolution denouncing the recent  
atrocities in Turkey, and assuring the  
executive branch of cordial endorse-  
ment by Congress of a vigorous course  
for the protection of American citizens  
in Turkey, and the suppression of bar-  
barities against Christianity.

Mr. Hoar did not ask immediate ac-  
tion on the resolution, but he secured  
the adoption of another resolution re-  
questing the President to submit to the  
Senate all correspondence relating to  
Turkey. The resolution makes specific  
inquiry as to what American consuls  
are absent from their posts by reason  
of the disorder prevailing.

The first formal speech of the session  
was made by Senator Allen, of Topo-  
list of Nebraska, on Cuba and the Mon-  
roe doctrine. Mr. Allen urged the re-  
cognition of the Cuban insurgents,  
the annexation of Cuba, and a strong  
foreign policy.

The influx of bills continued, several  
hundred being added to those already  
introduced.

FIFTY-FOURTH CONGRESS.  
REGULAR SESSION.

WASHINGTON, Dec. 4.—SENATE.  
Senator Mitchell, of Oregon, presented  
a letter and accompanying records to  
the Senate from H. A. Dupont, claim-  
ing the right to be admitted as a Sena-  
tor from Delaware. Delaware's Demo-  
cratic Senator, Mr. Gray, moved that  
the privileges of the floor be given to  
his Republican quasi-colleague, pend-  
ing a determination of the case. Du-  
pont was brought in and introduced.

Senator Chandler of New Hamp-  
shire presented a petition of the  
legislature of Alabama, and claiming  
the election as Governor of Reuben P.  
Kolbe.

Several petitions for the recognition  
of the Cuban insurgents were offered.  
Senator Squire of Washington, in in-  
troducing a bill for fortifications at At-  
lantia and Lake ports, said the  
Senate was being asked to extend re-  
cognition to Cuban belligerents, and  
firmly re-assert the Monroe doctrine.

"We are talking of these matters as  
though we had a chip on our shoulder,"  
he added, "and we go on in blissful  
ignorance of the fact that the subject  
of the Cuban question is one of the  
most important of our time."

Senator Hoar of Massachusetts of-  
fered the following:  
"Resolved, That the Senate will sup-  
port the President in the most vigor-  
ous action he may deem fit to take for  
the protection and security of Ameri-  
can citizens in Cuba, and will redress  
for the injuries committed upon such  
citizens there."

"Resolved, That the President be re-  
quested to make known to the govern-  
ment of Turkey the strong feeling of  
regret and indignation with which the  
people of America heard of the inhu-  
manities in Turkey, and the American  
people cannot be expected to regard with  
indifference any repetition or contin-  
uance of such wrongs."

The resolution went to the Committee  
on Foreign Relations. Another resolu-  
tion, introduced by Senator Hoar, re-  
questing the President to submit to the  
Senate all correspondence with Turkey  
was passed.

Senator Allen's resolution defining  
the American foreign policy was taken  
up and Senator Allen urged recognition  
of the revolutionists and the annexa-  
tion of Cuba. He declared the  
foreign policy of the United States had  
been a hiss and by-word for twenty-  
five years. He specified the annexa-  
tion of Cuba, the Monroe doctrine,  
and the open ports of the American  
Consul. Mr. Maybrick and ex-  
Consul Waller. The Senator strongly  
urged the re-assertion of the Monroe  
doctrine, and the open ports of the  
ultimate withdrawal of monarchical de-  
pendencies from this continent. The  
resolution was temporarily laid aside,  
and the Senate adjourned for a brief  
executive session, adjourned at 1:05  
o'clock.

POPULISTS HANG TOGETHER.  
They Will Give No Support to the  
President.

WASHINGTON, Dec. 4.—The Popu-  
list members of the Senate, at a meet-  
ing yesterday, took a step which prob-  
ably will prevent the re-organization of  
the Senate by the Republicans, the for-  
mer deciding to stand together against  
the old parties. Senators Peffer, Allen  
Kyle and Butler, who are ranked as  
straight Populists, and Senators Jones  
and Stewart of Nevada, upon whom  
some Republicans have counted for as-  
sured support to their effort to re-  
organize, were present. There was no  
dissent against the proposition to stand  
together on the question of organiza-  
tion, and the Senate adjourned for a  
brief executive session, adjourned at 1:05  
o'clock.

THE REPUBLICAN CAUCUS.  
WASHINGTON, Dec. 4.—The Republi-  
can Senatorial caucus was in session  
about fifteen minutes today. The only  
business done was the adoption of a  
resolution introduced by Senator Pro-  
ctor, authorizing Senator Sherman, as  
chairman of the caucus, to nominate a

Committee on Committees and provid-  
ing that the list selected by him be sub-  
mitted to a full caucus for confirmation.  
The caucus adjourned subject to the  
call of the chairman.

The action was the result of a com-  
promise between two factions in the  
party, one composed largely of the older  
element, standing out for the appoint-  
ment of a committee by the chair, and  
the other, with the younger element  
predominating, demanding that the  
caucus elect its committee. The move-  
ment was a part of the programme of  
the newer members to insure sufficient  
attention to their claims for recogni-  
tion in the conduct of Senatorial affairs.  
It is understood that Senator Platt of  
Connecticut will be chairman of the  
proposed committee.

WASHINGTON, Dec. 4.—The Post to-  
morrow will say that after the Senate  
Republican caucus adjourned today the  
recovery was made that one of the  
Senate rules allows the appointment of  
members of committees, except the  
chairman, by a plurality of the votes  
cast. In the Senate the last twelve year  
instance of which had been forgotten,  
was put into operation as long ago as  
1850, and has continued in force since.  
It has become practically obsolete by  
reason of the fact that for many years  
the majority and minority sides have  
renewed their representations respec-  
tively, and the state thus prepared has  
been agreed to by unanimous consent,  
without the formality of a ballot.

The existing rule presents a most  
interesting phase of the Senate  
situation. Under it the Republicans  
can elect the members of the commit-  
tees, except the chairman, by a plurality  
of the votes, and who was suspected of  
being affiliated with the revolutionary  
army, and another individual, also an  
Armenian, fired on them several  
times with revolvers, wounding Bahri  
Pasha in the foot, and his assistant,  
Omer Effendi, the director of the posts  
and telegraphs, and Suleiman Bey, the  
commander of the mounted police of  
the city, were also wounded. On Wednes-  
day, the 2d of October, 1895, at 6 o'clock  
in the afternoon, the Ouzoun Sokak street,  
which goes into the Charki Square,  
in the city itself of Trebizond, when

## NEW REDLANDS TRACK.

## OPENING BY NATIONAL CIRCUIT LEAGUE WHEELMEN.

Largest Attendance of Any of the Southern Meets—It was Cooper Day for He Won Both Big Races Over the Accredited Champion.

REDLANDS, Dec. 4.—(Special Dispatch.) The National Circuit League of American Wheelmen ended here today at the opening of the new cycle track. There was the largest attendance of any of the southern meets. It was a Cooper day as he won both the big races in grand style, outstripping Bald, the accredited champion.

Kiser also got his share of the glory, taking second place from Bald in both the mile and half-mile hard fought races. The new track was pronounced first class by the racing men, although it was hardly finished. Freeman from Ontario won the novice race from a good field, with tandem pace.

The trial heats of the half mile were exciting races and the spectators stood on their feet and cheered Cooper when he won one and Kiser the other.

The final of the half-mile was a pretty race between Bald, Cooper, Kiser, Campbell and Wells. Bald got in a bad position and literally boxed himself. He spurred hard on the home stretch, but could not overcome Cooper's lead and sat up twenty yards from home, getting only third.

In the trial heats of the mile open Cooper won from Kiser and Randall with four other starters, but made slow time as the track was soft. Bald got the second heat with Wells a close second, Burke being a good third; but the final heat paced by Smith of Denver and Swanbrough of Chicago was the most exciting.

Bald got the tandem and Kiser rode around the tandem, but only got second place. Cooper was third, Wells next and Burke last. With the tandem open, Cooper and Wells shot forward, and Bald was again pocketed.

Bald made a good wobbling fight, but sat up in disgust ten yards from home, finishing even with Kiser for the second place. Kiser got the decision, and Bald was therefore only third in both the big races. He waited for the handicap and won that to get even. This was Bald's first five-mile handicap this year, and it was the hardest fought race of the season.

Cooper and Bald were away back with the other men fifty to 150 yards ahead. At the end of the first lap there were three bunches and the two crack-acks away behind. Those in the limo-bunch paced each other, and so did those in the second bunch while Cooper and Bald gradually cut down the field.

At the third mile Bald and Cooper finally caught Wells and the others, and all were soon bunched while Cooper and Bald gradually cut down the field.

At the third mile Bald and Cooper finally caught Wells and the others, and all were soon bunched while Cooper and Bald gradually cut down the field.

Bald wobbled through some way and won with a pretty margin. Close behind Cooper was Campbell, the Spokane man, who deserved credit for his good ride to get third place. In the class A races Russell and Newcom of Riverside paced, and in the mile open they had a slight accident that compelled slow speed and almost spoiled the race. McFarland was next to the tandem, Hewett next and Taylor third.

Downing of San Jose was fouled in the trial heat, was allowed to start in the final. When the tandem slowed up it was announced there would be no race, but the contest was not over until the race was finished. McFarland and Cromwell finished in a dead heat and the San Jose man seemed to have won by an inch or more, but the judges decided that Cromwell won. McFarland made a scene on the track about the matter and decided to file a protest. Hewett got the third place and if he had been in good condition would have secured first place himself, beyond all doubt. Taylor of Duarte did not feel at home on the new track. Torrell of San Francisco was suffering from a cold and did not ride. Castleman also failed to start. Hamilton, the Denver record-breaker, came out to give the track a mile record, and paced by McCrea, Smith and Swanbrough over the course, went in 2:30.

A flying start, third unplaced mile was made in 3:35 by Stone of Buffalo and Conbar of Peoria, Ill.

The Board of Governors of Associated Cycling Clubs met this evening and decided to have an annual relay team race in April, and named standing committees as follows:

Executive: H. A. Luther, S. C. Groce, Redlands; S. J. Castleman, Riverside; Membership: Frank Burham, Pasadena; H. R. Mathews, Riverside; C. E. Torrey, Santa Ana.

Interclub Relations: I. S. Logan, Riverside; Harry Bundy, Santa Ana; W. Kappenberger, Los Angeles.

Political Action: Charles F. Gates, Los Angeles; J. W. Lorbeer, Pomona; E. A. Hornbeck, San Diego.

Rules and Regulations: C. C. Monaghan, Santa Ana; J. A. Kelly, Los Angeles; G. L. Salada, Los Angeles.

After the meeting of the Associated Clubs the visiting wheelmen were given a banquet at the Windsor Hotel, and speeches were made by racing men, newspaper men and local business men. F. C. Prescott was toastmaster.

Tomorrow morning the Eastern racing men will return to Los Angeles for a few days. Bald will some mountain climbing, and may buy an orange ranch before returning to Buffalo, N. Y. Most of the others are expecting to break records.

The summary is: Mile novice—Won by Freeman, Grazer second, Campbell third; time, 2:20-1-5. Half-mile, class B, open: First heat won by Cooper, Bald second, Randall third; time 1:17. Second heat won by Kiser, Wells second, Campbell third; time 1:14-2-5. Final won by Cooper, Kiser second, Bald third, Wells fourth; time 1:08-1-5. Mile open, class A: First heat won by McFarland, Cromwell second, Wing third; time 2:38-4-5. Second heat won by Hewett, Taylor second, Yeoman of the time 2:27-1-5. Final won by Cromwell, McFarland second, Hewett third; time 2:27-1-5. Mile open, class B: First heat won by Cooper, Kiser second, Randall third; time 2:35-1-5. Second heat won by Bald, Wells second, Burke third; time 2:30-1-5. Final won by Cooper, Kiser second, Bald third; time 2:32.

## THE POLICE COURT.

## Fines and Penalties Imposed—The Court Trial.

In an altercation over a dice game at a Spring-street cigar stand, Tuesday morning, H. B. Crandle got quite the worst of it. He was knocked down by one of the players, picked up by a policeman, who locked him up for being drunk, and yesterday in the Police Court was fined \$3 for being drunk. William Phillips, Joe Bush and B. S. Serano were fined \$5 each for being intoxicated.

Joseph Phillips paid \$15 fine for disturbing the peace. The original charge against Phillips was discharging firearms. He is a Southern Pacific employee, and has a permit to carry a revolver, which he was showing to some friends in Dogtown Tuesday evening. Just as Deputy Constable Joe Mugnemi was driving by. One of the party asked Phillips whether he could hit the hub of a wheel of Mugnemi's wagon. Phillips said "Yes," and blazed away at it. Mugnemi thought he was being shot at, so jumped out of the vehicle and placed Phillips under arrest. The shooter tried to explain that it was all done in fun, but the officer could not see the humor of it, so he had Phillips taken into the Police Court and fined.

Juan Rodriguez, the purloiner of a bunch of red peppers, was found guilty of petty larceny, and will be sentenced today.

Mary Ann Perkins, the woman who fired off a revolver in Sanchez alley Monday evening while exhibited by a jag, was fined \$10, which she paid like a little man.

Evidence was heard in the trial of Thomas J. Cuddy, charged with being drunk and disturbing the peace, after which Justice Morrison took the case under advisement. Mr. Cuddy was defended by Attorneys Ryan and Fitzgerald. Deputy City Attorney Thomas conducted the prosecution. Officers Blackburn, Ryan and several other witnesses testified that the ex-Chief of Police was drunk and used vulgar and profane language when Officer Blackburn ordered him to move on, so as not to obstruct the sidewalk. He also swore he would kill the officer if he attempted to arrest him, and threatened to strike him with his cane. Witnesses for Mr. Cuddy swore that he was not drunk, but was simply standing on the curb talking to an old friend when the officer came up and insulted him by ordering him to get off the sidewalk, and otherwise interfering with his rights and liberty in a rude and unparliamentary manner. The court will probably decide today whether Mr. Cuddy was really intoxicated or disturbed the peace, as alleged in the complaint.

**Fire Alarm Improvements.** An improvement in the city fire-alarm service, which is intended to be made in the near future, is to have the locations of the nearest several plain marked on a substantial card placed over the box. The fire department has been liberal in the distribution of fire-alarm box keys among people who are responsible, and keys have also been intrusted to people in the neighborhood of each of the boxes.

The locations not being marked, however, about the boxes, sometimes occasions a loss of valuable time in getting a box unlocked so that an alarm may be turned in. It is also intended to have a strip painted a bright red encircling each pole to which a fire-alarm box is attached. This will aid in finding the boxes.

**The Fire Was Suspicious.** Some suspicious circumstances have developed in connection with the fire which occurred at the southwest corner of Fourth and Spring streets last Sunday night. The flames started in the rear part of the restaurant kept by Frank Scario, and burst through the wall into the oyster parlor kept by Doyle & Maurin. The restaurant was kept open only during the day, but the oyster place was kept open all night. In the rear of the restaurant were one or two sleeping-rooms, and under a bed in one of these a lamp was found on the floor after the fire.

**Licensed to Wed.** Archibald Mercer, aged 44, a native of New York, and Emma P. Williams, aged 39, a native of Indiana, both residents of Los Angeles.

## WAS IT A MIRACLE?

The Strange Story Related by an Ex-Resident of Denver.

The members of the Christian Alliance gathered to the number of several hundred in the Y.M.C.A. Hall yesterday, to hear Dr. F. E. Yoakum relate his experience of divine healing.

After preliminary remarks by W. C. Stevens, explaining the nature of the Christian Alliance, which he stated to be an organization of Christian believers of all denominations, Dr. Yoakum was introduced and gave a graphic recital of his experience in colliding with a buggy shaft in Denver, Colo., which resulted in his sustaining internal injuries of a serious character. This collision occurred July 18, 1894. The injuries seemed incurable, and Dr. Yoakum steadily declined in health until, during the latter part of January, 1895, he visited the Alliance meetings and at the time was healed of his disease. He weighed 100 pounds at this time, and in the next three months gained ninety pounds. He now weighs 215 pounds and is in perfect health. His statements were corroborated yesterday by the testimony of Dr. Exline, who attended him during his illness and is familiar with his history.
